Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a security order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose security has been made or a security order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a security order.

The USPTO publishes patent applications on 18 months from the date of filing of the application. The USPTO will delay the publication of an application if it is determined that the application contains information that is not in the public domain and is not in the public domain under 35 USC 181 and no earlier than 6 months from the date of filing of the application. This application will be delayed for publication 6 months from the filing date of 90 days from the above "Date Referred" whichever is later, unless a response is provided to the USPTO regarding the application recommendation to the imposition of a security order.
